This matter comes before the Public Service Commission of South Carolina (the Commission) by way of a Motion filed by Aquenergy Systems, Inc. and Riegel Power Corporation for Extension of Deadline for Prefiling Testimony and Continuance of Hearing.

The Commission has considered the Motion of Aquenergy and Riegel and the allegations contained therein. The Commission finds that it is in the public interest to continue the hearing previously set for October 7, 1987, so that the parties will have sufficient time to adequately prepare their respective cases. Therefore, the Commission concludes that the hearing in this matter should be rescheduled to commence Wednesday, January 27, 1988 at 10:30 a.m. in the Commission's Hearing Room, 111 Doctor's Circle, Columbia, South Carolina.

Accordingly, with the continuance of the hearing date, the prefiling of testimony and exhibits should be rescheduled. Therefore, the Commission finds that all parties and the Commission Staff wishing to present evidence at the hearing on

the issues presented should prefile with the Commission and serve on all other parties on or before January 6, 1988, the prepared testimony and exhibits of any witness they intend to offer. All parties and the Commission Staff should prefile and serve any supplemental testimony in response to the issues raised in the January 6, 1988 filing on or before January 20, 1988.

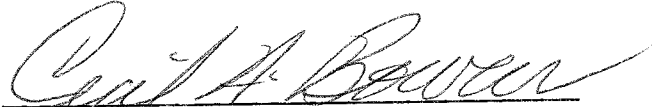

IT IS THEREFORE ORDERED:

1. The hearing in this matter shall be continued until January 27, 1988 at 10:30 a.m. in the Commission's Hearing Room.

2. That all parties of record and the Commission Staff shall prefile with the Commission and serve on the other parties the prepared testimony and exhibits of any witness they intend to offer at the hearing on or before January 6, 1988 and that any supplemental testimony thereto shall be prefiled and served on or before January 20, 1988.

3. That this order shall remain in full force and effect until further Order of the Commission.
